

Dear COPA STC Members,

We first want to thank you for your flexibility and understanding during this difficult time, it's been inspiring to see our community come together and support each other while we all deal with the impact of this pandemic.

Due to the continuing spread of COVID-19 and mandates from state and local governments, **COPA STC will be closing its doors effective immediately – Monday, March 16th.**

We have experienced no known cases of COVID-19 within our community, members or staff. As a valued COPA STC member, we want to ensure you that you will not lose your membership; all memberships will be frozen so that you are not billed during our closure.

Stay tuned for digital content to stay productive, positive, and healthy during this difficult time. We'll update you all as soon as we know when we can safely, securely open our doors again. Thanks again for your support and understanding.

Best,

Charlie Campbell

General Manager
