

MEMBER SAFETY

- When members arrive on site, they will remain outside of the building and line up on the floor stickers that are placed 6+ feet apart.
- Once called to enter the building, members will enter one at a time.

- All members will have their temperature taken and logged and they will visit a mandatory hand sanitizer station.
- Members are asked to attend sessions alone to limit the number of people inside the building.

- Operations will occur on a limited schedule to reduce the amount of time that people are within the facility.
- All building doors will be opened during business hours to limit unnecessary touching and for fresh airflow.

EMPLOYEE SAFETY

- All employees will be provided with PPE, including masks, which they are required to wear in the building.
- No coaches should ever come within 6ft of any other employee or member.

- All employees are required to take and log their temperature before beginning work.
- One customer service station will be set up at the front desk with plexiglass to ensure safety.

- Upon arrival to the facility, employees are required to wash their hands.
- In between training sessions, employees will be provided with disinfecting wipes to clean each space.

TRAINING PROCEDURES

- All sessions will account for social distancing and will have a max of 8 athletes per group.
- Trainers will remain 6ft apart from athletes.

- Sanitary wipes and hand sanitizer will be placed around training sessions.
- Any shared equipment will be sanitized between uses.

- Members will enter through the main entrance doors and exit through the Turf Arena barn doors.
- Training spaces will have designated entry and exit routes for proper flow.
