

COPA

SOCCER TRAINING CENTER

COVID-19 Member Policy

- In accordance with the most recent [Contra Costa County Health Department Order](#), beginning September 22nd, all persons 12 years or older must show proof of vaccination, or a negative COVID-19 test result from the past 3 days to be able to enter COPA STC.
- Vaccination status can be confirmed with any of the following along with Photo ID:
 - Vaccination card
 - Photo of vaccination card
 - Digital vaccination card
- Any person entering COPA STC must wear a mask at all times while in the facility. This includes both members during their training as well as parents or bystanders who are watching training.
- If a member or someone in a member's household is experiencing symptoms related to COVID-19, the parent is required to inform COPA (by emailing info@copastc.com) of the situation and that member should stay home and not participate in training at COPA until they are cleared by a physician to return to play.
- If a member comes into close contact with someone who has tested positive for COVID-19, the parents must immediately inform COPA (by emailing info@copastc.com) of the contact. The member will then be required to quarantine until they are cleared in writing by a physician to return to play.
- If a member test positive for COVID-19, the parents must immediately inform COPA. The member will then be required to quarantine until they are cleared in writing by a physician to return to play.
- In the case of a confirmed positive case, COPA STC will immediately inform all other members who could have come into close contact with the member who tested positive. To comply with privacy protocols, COPA will not use a member's name in any communication.
- We recommend that all athletes and parents remain socially distanced when possible while at COPA STC.

Close contact is defined as being within 6 feet of an infected person for more than 15 minutes within a 24 hour period.
