

COPA Camps Refund Policy – 2022

Please read the below information carefully.

Paid in Full

If you paid in full at the time of check out, refunds will be issued as follows:

- More than 2 weeks from the start of camp a 75% refund will be offered
- 2 weeks from the start of camp a 50% refund will be offered
- 7 days or less from the start of camp no refund will be offered
- No full refunds will be offered
- All cancellations and refund request must be made in writing via [Camp Cancellation/Transfer Request Form](#)

Deposit & Payment Plan

At the time of check out you were offered the option to pay in full or make a deposit with an auto debit scheduled payment plan. The deposit option is being offered in consideration of those who are interested in booking multiple weeks of camp this summer. **The date of that final payment is Monday, May 23, 2022. This date is not flexible or changeable.**

The deposit paid is non-refundable. If you paid by deposit, the payment plan will auto debit the card saved on file in the amount of the total remaining balance of the transaction. This total can be found in your account (Family Balance) or on your receipt.

Refunds will be issued as follows:

- Before Monday, May 23rd your scheduled auto debit transaction will be cancelled. The deposit paid is non-refundable.
- After Monday, May 23rd and no less than 7 days before the start of your camp you will be refunded 50% of the camp's cost minus the \$300.00 non-refundable deposit
- 7 days or less from the start of camp no refund will be offered

It is highly suggested that rather than cancel your camp registration, you look at transferring your week to another available date option.

Additional considerations will only be made in the event of a family emergency, medical emergency with a doctor's note, and/or COVID related situations.

No full refunds will be offered.

All cancellations and refund request must be made in writing via All cancellations and refund request must be made in writing via [Camp Cancellation/Transfer Request Form](#)
