What can my child expect to participate in during Morning Kids Club?

The hour begins with a vibrant free play period, allowing participants to engage in spontaneous and creative activities, fostering social interaction and individual expression. Following this unstructured time, we will gather as a group for structured play with a soccer training session. Kids will have the opportunity to earn a sticker by participating and having fun. An optional snack break provides a brief pause, giving participants a chance to refuel and hydrate while mingling with peers. The group then transitions into a focused activity designed to enhance skills and knowledge in a fun, collaborative environment, ensuring an engaging and enriching experience for everyone involved. It will mend structured and unstructured play to boost creativity, improve social skills and increase self-confidence. Athletes will close out their morning with the choice to participate in free play again or a small hands on activity.

Do you provide snacks?

COPA stc will not be providing snacks during the event. Participants are welcome to bring their own.
